Once upon a time

. . . there was a 

called Gavit. In the 

were all kinds of  . One day a  came to the 

and took pictures of all the  .

. . . and Every Picture Tells A Story.

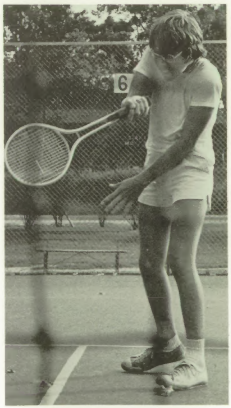

They told the story of Gladiators who won . . .

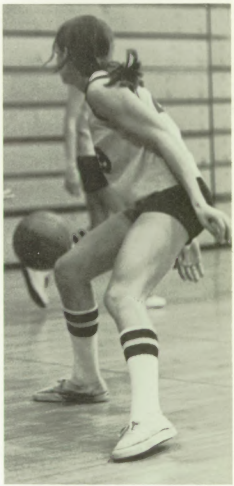

And sometimes lost . . .

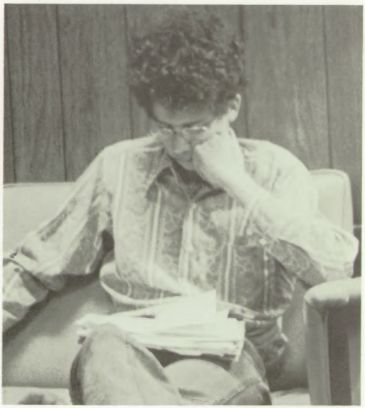

Of all the people who felt
the victories . . .

And the defeats . . .

Of students having a bad day . . .

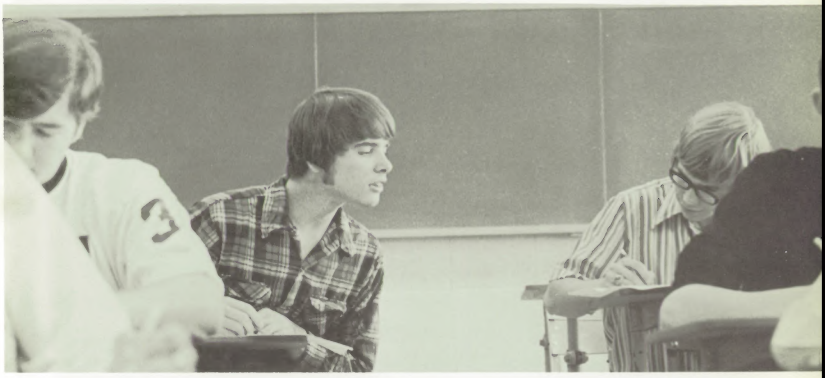

And teachers having a worse one . .

Of everyone cooperating . . .

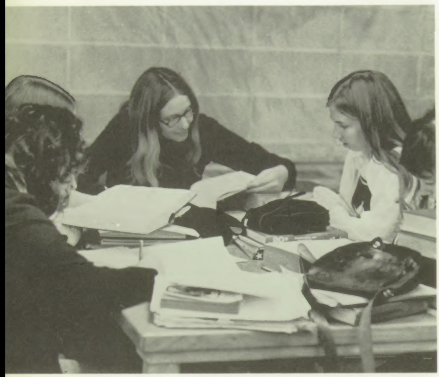

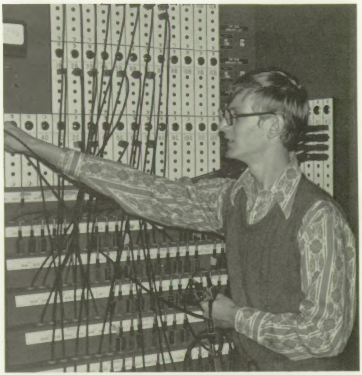

And making the day so easy . . .

Of students hard at work . . .

And play . . .

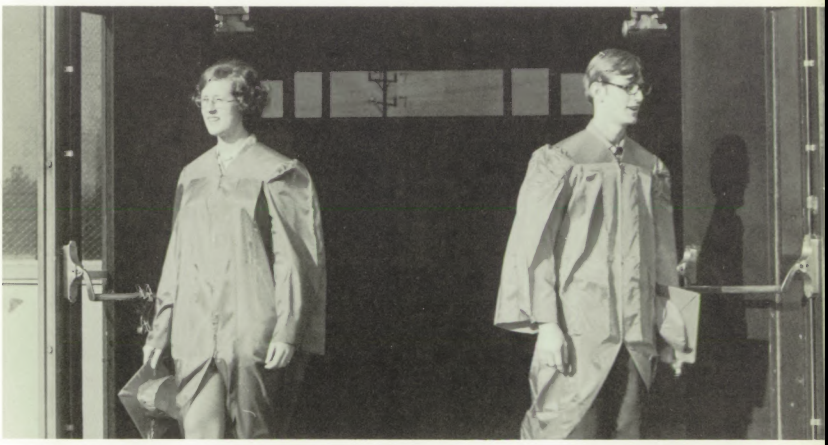

Of people joined together

for a cause . . .

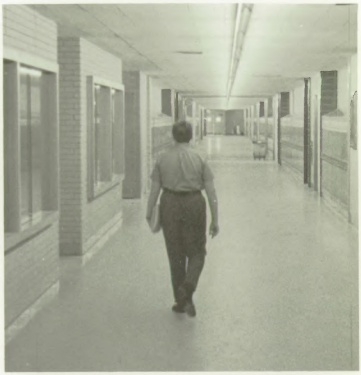

And going their separate ways.

They showed how all these people fit in one building . . .

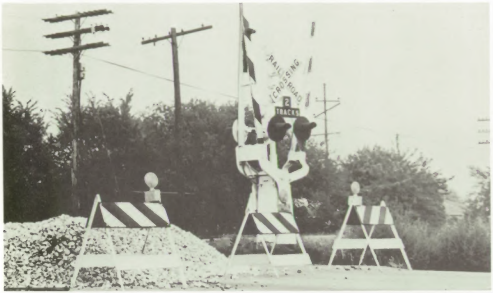

Sometimes . . .

And how our environment is changing

. . .

And staying the same.

They showed beautiful music . . .

And lilting voices . . .

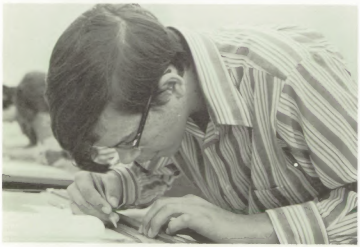

The mark of a craftsmen . . .

And the touch of an inspired artist.

The pictures showed that personalities add flavor . . .

And friends add spice . . .

That young love comes . . .

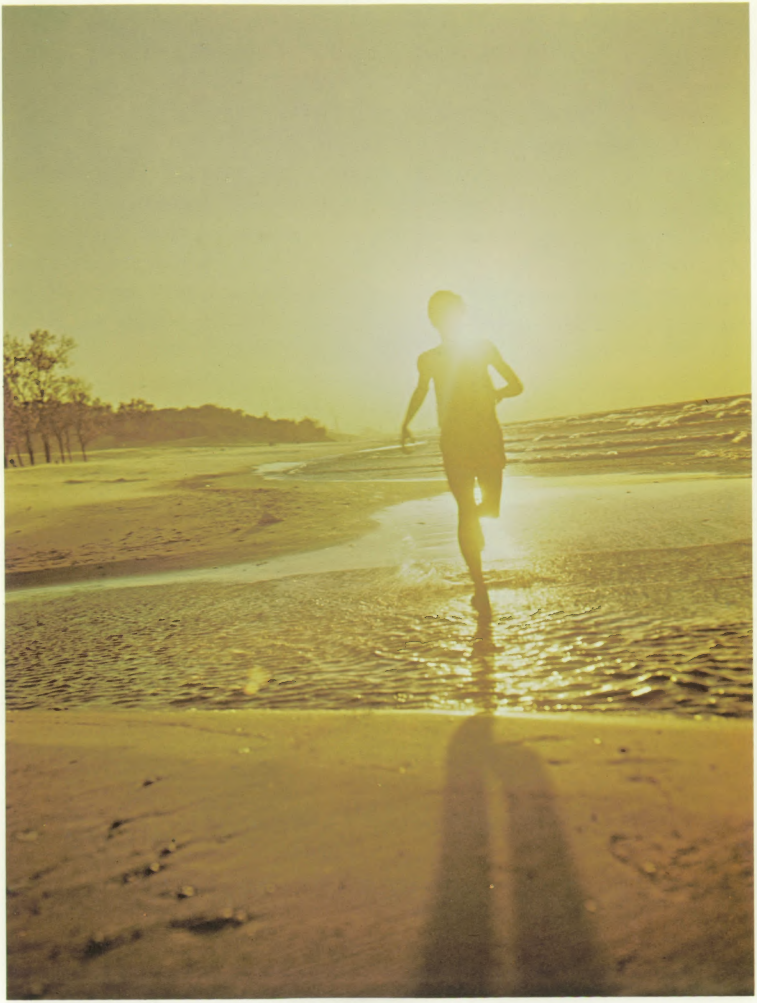

And goes . . .

and life
runs on...

SCHOOL LIFE

I took the trip around the school
that I take every day,
Only this time I tried to make
myself be more aware
Of the things around me.
I saw a different school than
that one af
Halls I'd walked
And desks I'd sat in before.

I saw the same old people I
had known for years,
But this time I saw the
Individual personality among
the masses.
I saw new faces—
New because this time I could
see the minds
Behind them.
I noticed that some of these
people
Had found themselves.

They knew what they wanted
from life—
And they all tried to achieve
their goals
They all had something
To talk about—
Either ideas to express
Or opinions to suggest.

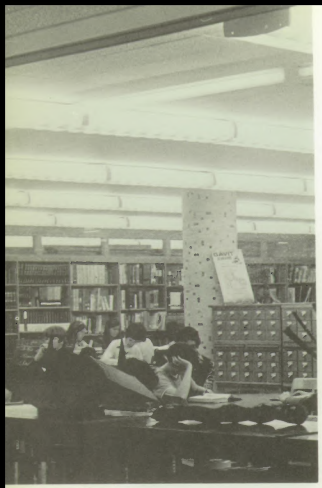

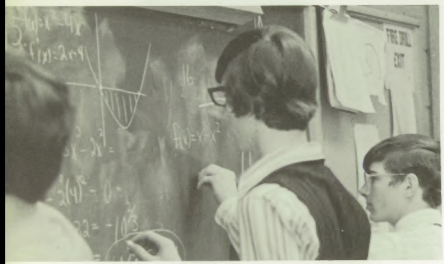

They talked about the game
Friday night, Barton's,
Last night's homework,
Or the victory dance.
They followed the fads and
were extra friendly to
everyone,
For popularity was their thing,
And they were happy.

And in the library I didn't
See the books onymore.
Instead I saw o library
Filled with love.
Love of the minds to read
The words
And love of the words to
Inform the minds.

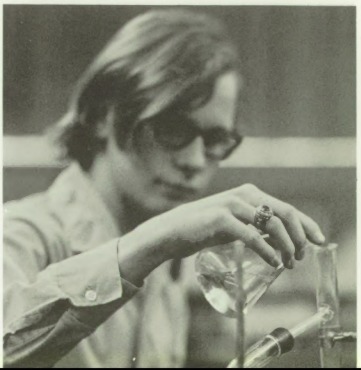

Love in the eyes of the
Singer for his song;
And love in the eyes of the
Scientist for his problems.

I saw love in the eyes of the
Mathematician for his equation;
Love in the eyes of the
Artist for his paint;

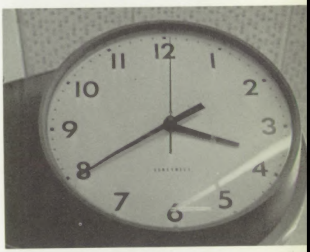

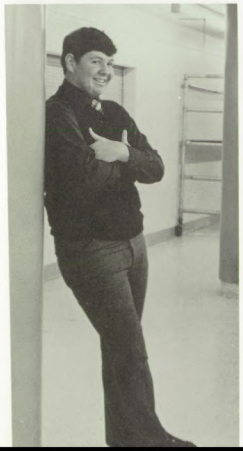

I began to see things more
clearly,
And as I neared the end of my
trip I still wondered
What it was all about—
Where time had gone.
But then I realized
That as long as the sun keeps
shining
Time will not run out—
So why not sit back and enjay
life
By finding all the beautiful
things it
Has for everyone?

"Road To Find Out"

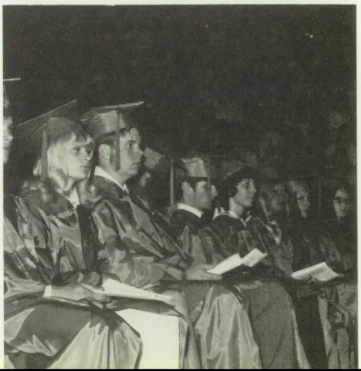

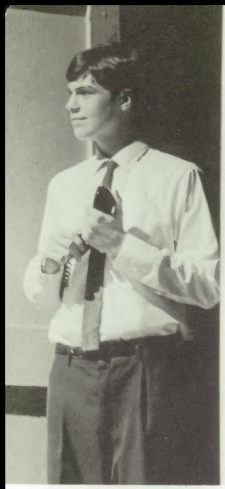

Well I left my happy home to see what I could find out. I left my folk and friends with the aim to clear my mind out. Well I hit the rowdy road, and many kinds I met there, many stories told me on the way to get there. So on and on I go, the seconds tick the time out, there's so much left to know, and I'm on the road to find out.

I Meant To Do My Work Today

I meant to do
My work today,
But a brown bird sang
In the apple tree
And a butterfly flitted
Across the field,
And all the Leaves
Were calling me.
And the wind went sighing
Over the land
Tossing the grasses
To and fro,
And a rainbow held out
It's shining hand—
So what could I do
But laugh and go?

Business Students Get Involved

Fast fingers is what it takes to get a good timing in typing learns Barb Ince.

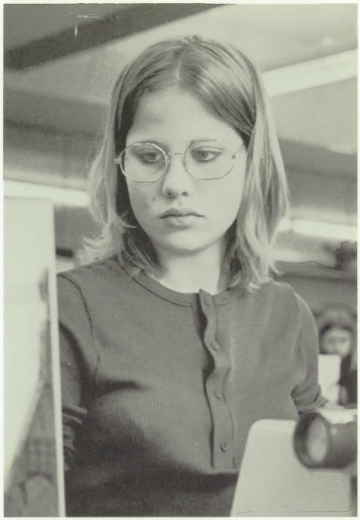

Shorthand solves much writers cramp.

Along with the College Prep. Program at Gavit, we have a Business Course Program, that can be followed by students who do not wish to attend college. Among the courses available are: Bookkeeping, which includes the study of figured credit, debt, financial liability, and income; Shorthand, involving dictation tests; Typing, Sales, General Business, Business Law, and Transcription, which involves the combination of shorthand and typing skills.

New in the department is the C.O.E. or Cooperative Office Education Program. Only nine students are involved in this program. In order to be on this program you must have one year of Typing, Shorthand, or Bookkeeping and must be enrolled in a one hour related learning course such as Business Behavior, Psychology, Sociology. A student following the C.O.E. Program goes to school and works fifteen hours a week in an Office Education post in the community. Mr. Welte, head of the Business Department, hopes to double the number of students involved by next year.

Patty Wright concentrates on her typing.

Juliann Wsolek learns how to balance her books.

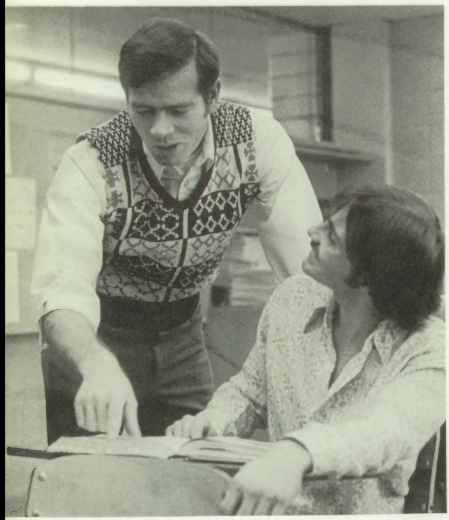

Students Form Mock Election—Nixon

Courses of government, economics, psychology, sociology, world geography, contemporary history, history of the Far East, and history of the South give the students a chance to learn and participate in our world today. World history and United States history greatly expand the students' knowledge of the past in order to understand and interpret current events and contemplate the future. The sixteen Social Studies teachers try to illustrate in a simple and interesting form how the world has developed and is continually progressing.

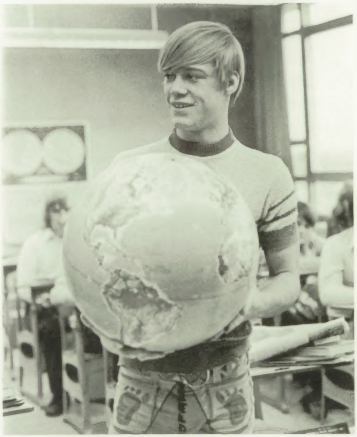

This year, being a presidential election year, a mock election was held throughout most of the Social Studies classes in Gavit. Students were asked to vote on the two presidential candidates and several questions by ballots. Five classroom periods were set aside to discuss the electoral procedure of our government.

PE Builds Strong Bodies 12 Ways

In order to do anything successfully, one must be physically fit. This year's PE program at Gavit helps build strong bodies 12 ways. The program this year included the games of football, basketball, handball, volleyball, field hockey, and such sports as gymnastics, track and field, softball, bowling, fishing, wrestling, and new this year, swimming.

Through this program students learn all aspects of the game, from rules to good sportsmanship, which are both necessary when playing in competition.

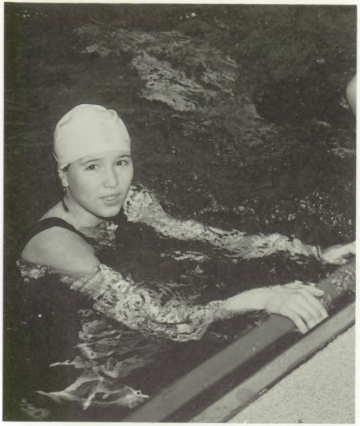

Along with the many different sports that are taught, the students are also taught how to take care of themselves. In the classes, students are taught proper cleanliness ana a minimum of proper first aid.

Industrial Arts Students Learn

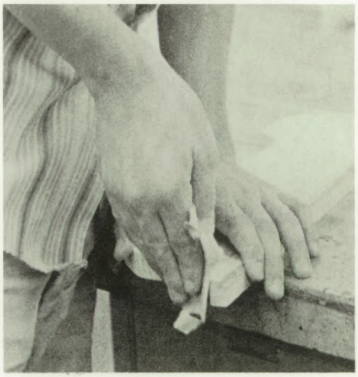

Marty Freels works diligently on a stool.

The Industrial Arts Department at Gavit offers a variety of courses in which students, both boys and girls, can become acquainted with basic methods necessary for an industrial career. Theoretical knowledge, learned in the classroom, can be put to practical use in any of the areas included in this department. These subjects are designed to give students a better insight into the environment in which we live. The areas taught include metalwork, woodwork, mechanical drawing, graphic arts, plastics, ceramics, electricity, and power mechanics.

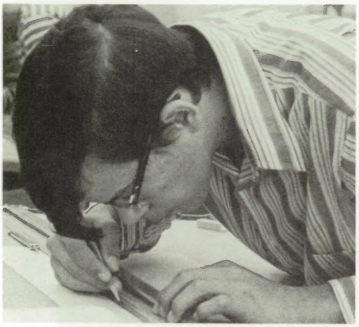

Material and operations needed for a metalworking career are detailed throughout the metal shop. Mechanical drawing teaches the students how to draw and read blueprints and three dimensional figures. This course helps the students to understand layouts and floor plans of houses and buildings. Learning by construction is incorporated as a main part of the woodshop. The application of power and basic functions of electrical energy are observed by the power mechanics class. Photography, offset and letterpress printing are the areas studied and applied in the graphic arts classes.

Those enrolled in any of the shop classes can try their hand at making something of their own choice after one basic assignment is completed. Favorite items made as projects are ash trays, bowls, steins, and wooden shelves.

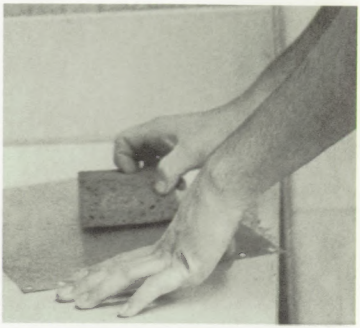

The steady movement of the hands is the trick of smooth wood.

Home Ec. Develops Needed Skills

Future housewives should all know the basics of preparing foods. These skills are taught in the food classes of the Home Economics Department at Gavit. The girls learn how to prepare the meals and how to prepare for the meals by setting the table, shopping for the food, planning the meal, and learning the proper table manners. Girls are not the only ones with the Betty Crocker touch. Boys! Food classes are very popular, too. The boys also learn how to prepare dishes and eat their own cooking. They learn how to shop for the food, how to plan and prepare their meals, and how to behave during them. They boys also learn the fundamentals of cleaning up after the meals.

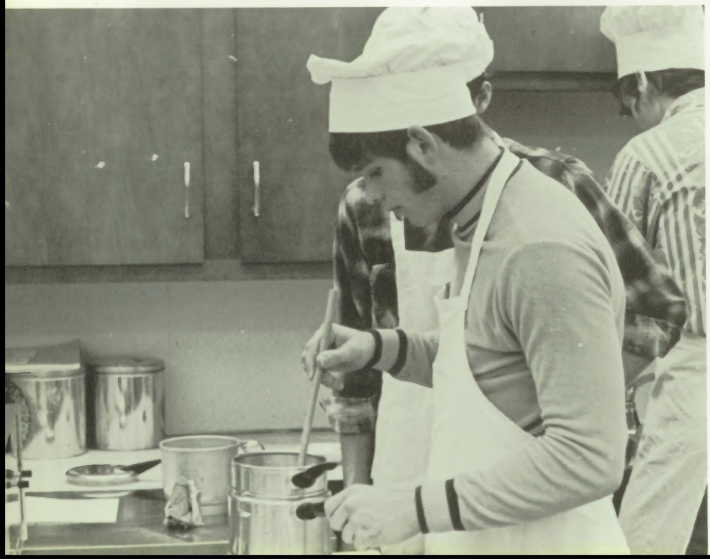

Sewing is another course offered under the Home Economics Program. This year, along with Clothing 1-4, Clothing 5 and 6 is offered. The girls learn to make infants' clothing, lingerie, and clothes for themselves.

Who knows! Somday Gavit might turn out another Betty Crocker or Betsy Ross.

Band and Choir Harmonize Perfectly

This year the Gavit High School Concert Band and Concert Choirs put on 3 delightful programs. "The Choral Groups in Concert", "Holiday Montage", and "On Stage".

Selections by Bach, Berlin, Hayden and Church were featured in the Fall Concert. Selections from the Nutcracker Suite were the main attraction in "A Holiday Montage". The Suite also included the debut of our own Gavit Dance Corps, including the Sugar Plums, The Toy Flutes, Trepak dancers, and the Waltz of the Flowers. In the Spring concert "On Stage" selections from three broadway musicals were featured. The three musicals were "Fiddler On the Roof", "Carousel", and "South Pacific".

The Gavit band was very busy this year, also. They traveled to the Cedar Music Festival in Wisconsin and to the Solo & Ensemble Contest where they received 76 medals. CONGRATULATIONS! Our marching band participated in tow parades and played for the Indi 500 pre-race winners.

The band sold safety flares and had bake sales and car washes for their new uniforms.

Picasso Plays Important Role

Did you know that Picasso graduated from Gavit? Not really, but it could happen someday with the fantastic crafts and things our Art department has to offer.

The students in the Art 1 and 2 classes learn the basic art techniques of working with clay, paints, texture pictures and much more.

In the Art Projects course, students work on bigger and better things such as making scenery, and their own individual projects, which sometimes turn out very interesting. The emotions, and personalities of the young, aspiring artists are brought out in their work.

Claudia Resetar amazes herself while displaying superb talent in needle-point.

Intense concentratian an art projects pravide satisfactian ta students.

Math Moves Mountains

The Mathematics department at Gavit covers all the areas of Math, from a basic understanding of mathematical principles to an ever-increasing knowledge of high school and college levels.

The program offers many different math classes, such as: General Math, Algebra, Geometry, Algebra-Trig., Math Analysis, Calculus, and UICSM. These classes are covered in three divisions. The first being General Math, which gives the student a basic understanding of math. The second division, and most popular, is the College Prep Program. This covers the most amount of different classes and is the most crowded of the three divisions. It includes Algebra, Geometry, the ever-popular Algebra-Trig., Math Analysis, and Calculus. The third and final division is UICSM. This area is a four year course which deals with experimental, self-discovery methods. It allows the students to learn and understand more complicated concepts.

UICSM 4 Fundamentals are naturally a cinch for big Ray Hawkins.

Timmy astounds the Geometry class with his extraordinary talent of identifying figures.

Geometry students use teamwork to salve the "taughies".

Gavit Students Take a Look

French students put on "Guignol" the French Sesame Street.

Students can become acquainted with foreign languages as well as cultures when they study a foreign language in Gavit. First and second years include the learning of basic grammar and reading. Students increase their vocabulary and read more extensively in their third and fourth years. The languages offered are French, German, and Spanish.

The Indiana University Honors Program is open to any student who has the required years of language for this program. If they pass a series of tests compiled by the Indiana University, they have the opportunity to study abroad during the summer.

Maps and films aid the students in the understanding of the culture and customs of the languages. Tape recordings in the language laboratory enable the students to improve their speaking by listening to them.

Students and parents participate in Kiwanis Travelogue.

The French Classes set up for their premiere.

Students Explore the Beyond . . .

The science department at Gavit offers each student the opportunity of broadening his knowledge in many aspects of science. All the science courses are electives, but at least one year of a laboratory science is required for all students. The courses available to the students are Chemistry, Physical Science, Biology and Applied Life Science. Life Science is offered for the second consecutive year for students who do not plan to go to college, but want to take some science courses. Health and safety is a one semester course and is required of all students. In Cell Biology, various types of cells, their functions, and their advantages and disadvantages are studied. Different parts and functions of the human body and other animals are studied by the Anatomy classes.

English Enriches General Education

Each student at Gavit has the opportunity of placing himself in one of the multi-level courses offered by the English Department. These courses include practical, regular, and college preparatory English. A student has the opportunity to work at his own pace and reach a set goal when he places himself in the desired level of English.

Even though the English Department, with a total of twenty-three teachers, is the largest department at Gavit. The teachers make an effort to keep the classes small so that they can relate to the students and give them a well-rounded background in English. The size of the English classes is usually kept between fifteen and thirty students. The English Department involves almost every student.

Electives, extracurricular activities, and facilities available for these courses help the students develop a greater insight into the uses of English. The electives offered to the students are journalism, speech, drama, reading, developmental reading, newspaper, and yearbook. Debate and Forensics are extracurricular activities offered as extended and competitive forms of English.

Memories of Study Halls

Study Hall??? It all depends on what your subject is.

Some people think that a study hall is just a waste of time. NONSENSE! In a study hall a student is given the opportunity to educate his mind. A student can find some very educating reading materials in our library and study hall is the perfect time to broaden his knowledge.

Study hall is also a good place to catch up on the latest gossip. Many serious problems are solved in study halls . . .

Study halls are also a good time to show off your strength to your woman, or show her how much you really care.

In Memory of . . .

Mr. James G. Gibson

Gavit students will long remember Mr. James G. Gibson's cheerful face. Mr. Gibson taught math from 1966-1972 at G.H.S., and helped many students realize the value of school and outdoor life. He received his B.S. and M.S. in Mathematics from the University of Southern Illinois. Mr. Gibson sponsored the Conservation Club, later renamed the Hunting and Fishing Club, and was a statistician for the basketball teams.

. . . "WHEN THROUGH ONE MAN A LITTLE MORE LOVE AND GOODNESS, A LITTLE MORE LIGHT AND TRUTH COMES INTO THE WORLD, THEN THAT MAN'S LIFE HAS HAD MEANING." Alfred Delp

Mr. Gene Qualls

Mr. Gene Qualls taught English from 1968-1970 at Gavit. He sponsored the English Club and was very active in the production of the student publication "Mightier Than The Sword", a booklet containing original student work. Mr. Qualls received his B.S. in Education from Indiana University. Students at G.H.S. will remember Mr. Qualls for his dedication and devotion to learning.

SCROLL STAFF

THE SCROLL STAFF presented a practically unrecognizable newspaper to us this year, with city-paper style and updated columns. Writing the G.A.A. News was Pat Boldin, and boy's sports was reported by Merrill Clark (top l.). Jim Blumenhagen, Exchange Editor, poses with Amy Lee, Advertising Editor, and Ron "Strawberries" Henry for a quick pic and a hug. (top r.). Peggy Hester and Mary Ellen Kren (lower l.). sent our school news to city and community newspapers this year. Debbie Sandoval, Florence Veray, Kim Allen, and Toni Palmer wrote all the special features in the SCROLL for 1973.

PLAYING A MAJOR part in the changes made were Paula Gibbs, Editor, and Marian Lucas, Assistant Editor (top l.). Supplying the staff with photographs were Scott Wilson and Dave Jamrose. This year's SCROLL reporters—Vickie Earle, Mary Ellen Kren, Tom Schwab, Vernall Anderson, and Chris Balacz (lower l.), are shown here on strike. Usually, though, everyone tries to put their best side forward, like Kim (lower r.).

Gavit's football team kicked the '72-73 school year off to an exciting start. During the first three weeks of September, Gavit remained undefeated. E.C. Roosevelt inflicted the first loss upon the Glads making them even tougher for their Whiting game which ended in a Gavit victory. Clark managed to slip by in the closing seconds with a mere 2 point edge; but that frustrating loss supplied the Glads with enough fuel to wipe out E.C. Washington for a victorious Homecoming. Two weeks later, Gavit was at it again! This time they stunned 8th ranked Hammond High with a fantastic 9-6 upset victory. When it was all over, the Glads had won seven out of ten games, and established themselves as the winningest football team in Gavit's 12 year history.

Head Coach John Quinn worked hard with his boys and succeeded in developing them into a well-balanced team. Captains Dave Horvath, Merrill Clark, and Mark Sanders provided the Gladiators with experienced leadership on the field. Veterans Jeff Bond, Pete Budreau, Bob Graczyk, Tom Ferguson, George Michels, and Tim Shelton contributed to Gavit's strong offensive punch. Handling the defensive duties were seniors Joe Baliga, Jack Federoff, Jerry Hellinga, Bob Littlejohn, Terry Qualls, Tom Skiba, Chuck Wilkins, and Tom Yokovich.

Gavit's Tennis Team Has Winning Season

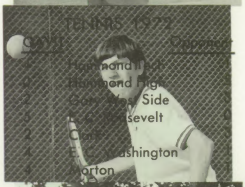

With the loss of State Tennis Champ, Webb Hayne, as well as five other starters, Coach Tom Shimala was left this year with only two returning veterans. Nevertheless this year's racketmen put it together and ended up with a 4 win 3 loss overall record. The Glads blanked E. C. Roosevelt, 5-0, for their only shutout of the season. They also won decisive victories over Morton, E. C. W., and Hammond Tech to gain the 3rd place spot in the Lake Shore Conference.

Looking forward to next year, Gavit's tennis team will be losing three seniors, Pat Clark, Al Milo, and Jim Thorbjornsen; but with the return of juniors, Tom Riley and Joe Kucharski, along with a gang of talented sophomores, Gavit's tennis squad should have an even more successful season in '73.

Fall of '72 is *Rough* for X-Country Squad

The 1972 season was one of rebuilding for Gavit's cross country team coached by Mr. Earl Fruehling. Last June's graduation took a high toll and only two veterans, Brad Black and Jim Nagel, returned this fall. Even with its youth and inexperience, our cross country men proved to be tough competitors and although they failed to win a meet this season, the experience they gained will undoubtedly be invaluable in the coming years.

Running their last races for Gavit were seniors, Brad Black, Rick Graves, and Jeff Baccino. The rest of the squad will be returning next fall and hopefully will be able to lead the Glads to better, brighter seasons in the future.

Final Record: 5 Wins, 17 Losses

The Glads began to come alive on the basketball court this year with the arrival of new head coach, Mr. Tim Russell. The Varsity's season record of 5-wins-17 losses makes this year appear as just another lack-luster one for Gavit's struggling basketballers, but there are signs of better things to come. This year the squad got off to a sluggish start, but after their first four games, fired up and scored back-to-back victories over T.F. North and Munster. During Gavit's Holiday Tourney, our boys let Hammond Tech slip by with a 1 point edge, and the next week, they lost an overtime heartbreaker to cross-town rival Morton. Gavit's squad picked up momentum as they neared the season's end. They wiped out both Calumet and River Forest and stayed within a close 9 points of big, tough E.C. Roosevelt in the Homecoming game.

Senior guards, Pete Budreau and Tom Michna, along with juniors Bob Graczyk and Chris Ford, directed Gavit's deliberate offense. Working under the boards were big seniors Randy Scott and Jack Federoff. Rebounding king, Larry Vaznonis, turned in consistent, clutch performances as did junior Greg Barnes—the team's leader in both the scoring and assists. By sectional time, three talented sophs—Jim Michels, Tom Bajusz, and Rich Korem—and big frosh Mark Cooley had invaded the Varsity squad.

Seniors Dave Horvath, Mark Sanders, and Ronnie Kotso played some fine ball for Gavit's cause before giving way to the "Youth Movement".

Loud and lively Lettermen cheer our Glads on to victory.

Gavit Grapplers Pin Down

For the past seven years, Gavit's Grapplers have stacked up winning seasons—six years they have reigned as conference champs before being knocked down to second last year. This season's over-all record shows only one loss for the team, and Bill Cosgrove was an undefeated wrestler. Our two Conference Champs were Glen Johnson and Bill Cosgrove and runner-ups were Mark Van Buskirk, Ed Manus and Rich Castleberry. Carlos Tite, Rich Dankenbring and George Michels won 4th places. In the Sectional Championship, Van Buskirk took a first, Manus, Cosgrove, Johnson and Castleberry achieved second places, Terry Qualls won 3rd and Dankenbring, Michels and Rick Graves were awarded 4th places. At the Regionals, our Grapplers Van Buskirk, Cosgrove, and Castleberry won 2nd, 3rd and 4th places, respectively.

Swimming Splashes into Gavit's Sport Scene

Marking its first year of existence, Gavit's youthful swimming squad coached scholastic competition. Even though they failed to win a meet, Gavit swimmers put up some very tough competition for some of the older more experienced teams in the area. Gavit's "flying fish" neardunked Horace Mann's team, and they stayed within a close 12 points of both Gary Wirt and Morton.

Shining individual performances contributed to the team's balanced attack. Captain Merrill Clark helped by scoring points from the 1 meter diving board, while fellow senior, Brad Black, did his thing in the 200 yard freestyle and relay events. Sophomore standout, Bob Gray, competed in four of the ten races and set individual records in both the 50 and 100 yard freestyle. Fortunately for three more swimming seasons. Already he holds records in both the 200 yard medley and 100 yard breast stroke. Other talented veterans returning next season are Bobby McCarty, Bob Russell, Ed Schoenfelt, Jim Pawlus, Ernie Vandersteen, Dave Schroeder and junior diver, Tracy Cooley.

Golfers Gain Conference Crown

Last year, Gavit's golf team chipped in with all Win—0 loss conference record on their way to capture the Lake Shore Conference crown for the second consecutive year. The team placed 8th in sectionals and ended the season with 12 wins and 6 losses.

Only two seniors, Larry Connell and Dave Serabin teed off for Gavit in '72, leaving nine returning golfers for the nucleus of this year's squad. Included in this group are veterans Ronnie Kotso, Steve Connell, Doug Kunnemann, Dave Kutscher, and Mike Janik, who will be taking their final strokes for Gavit in '73.

Soccer Team Socks Its Way To Third Place In City Standings

Mike Callahan drives for a goal.

In any kind af spring weather, rain ar shine, hot ar cold, Gavit's saccer team plays on—chasing their black and white ball around the field.

Last year's team slushed thraugh the seasan with a 2-4-2 recard. Coach John Quinn's squad played great defensive ball, allawing their appanents an average of less than two goals per game. However, Gavit's team had trouble putting the ball into the other guys' net as they just cauldn't get up mare than ane successful scaring drive in a game.

Graduates Mike Hamrich, Joe Labus, Russ Huneryager, Rary Simms, Mike Howe, Jethra Summers, and Steve Hanas played well and leave apen pasitians on this year's squad. Returning senior veterans, Rich Dankenbring, Dave Haltz, Brian Lawrence, Dan Maser, and Mark Van Buskirk are available to fill them and are capable af leading Gavit's sacces team an to a winning seasan.

Letterwinner, Bill Cosgrove, along with saphamores Mike Callahan and Jim Sakalaris, should also help to strengthen the Glads scoring punch.

Gavit Sluggers Swing For Another Conference

With the coming of spring showers and flowers, Gavit's baseball squad can't wait to get to work. Coach Norm Banas and his boys have high hopes for this season as they look to better last year's 14 win—4 loss mark. The '72 team won the Lake Shore Conference Championship and things look good for Gavit's diamondmen again this year.

Hurler Randy Lammertin was lost in last June's graduation, but returning lettermen Joe Baliga, Jack Federoff, Jerry Hellinga, and Mark Sanders are capable of handling the pitching duties. Also returning to this year's lineup are veterans Pete Budreau, Merrill Clark, Bob Graczyck, Dave Horvath, Tom Michna, Randy Scott, Ralph Smith, Tom Skiba, Larry Vasnonis, and Tom Yokovich.

It promises to be a very exciting spring!

The Gavit Girls' Athletic Association, sponsored by Miss Margaret Kelly, is always up to something. This year's field hockey team remained undefeated for the second straight year with a record of 4 wins and 1 tie. Senior Goalie, Pat Myszak, who has never lost a game, will leave only one starting position on next fall's squad.

The 12 member Reserve Volleyball team, led by Juniors Ann Michels, Marian Lucas, Lori Dalton and Pat Boldin, lost only two out of their 12 matches. The G.A.A. Basketball teams continued to add to their winning streaks.

The Varsity girls have won 23 straight contests over a two year span while the Reserves' streak stretches back 18 games to January, 1970. This year's Varsity seized 1st place in the Concord Tourney and also captured the District #1 Championship. In their last game of the season, Gavit's girls stomped previously unbeated Valparaiso to become the only undefeated school in Northern Indiana. Gavit is the defending District Track Title for the second consecutive year. Long Jumper, Donna Colley, who placed 2nd in the State Finals will be missing from this spring's squad.

As each page of this yearbook was completed, there was a feeling of accomplishment and wonder, relief, and yet regret. All of the seemingly endless hours of hard work, fun and experience had reached a temporary end. This ending is only temporary, however, because the memories of this year will continue with us forever.

This book has not been an "Editor's Book" or a "Staff Book". Instead, it has been a Gavit High School book, YOUR book to remember this year by.

To Mr. Kopenec, whose advice and guidance has been a help to all of us, to Harry Dudzik, who came on our "advance" 5 minutes notice, to the 1973 staff (you're the best staff ever!) and to everyone else for being at Gavit and making this yearbook spectacular—Thanks.

Kimberly Allen, Editor-in Chief

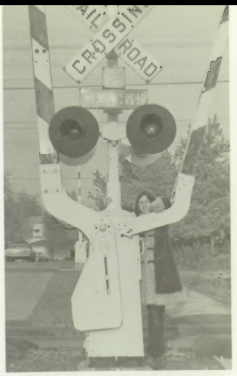

REMEMBER:

16-17 . . . deadlines! . . . "But Mr. Kopenec!" . . . bake sales . . . eraser battles . . . "You guys, Monday's the deadline . . . well, Wednesday for sure . . . OK, Friday." . . . sick typewriters . . . Mar always loses . . . water fights . . . Strawberry . . . crooked fingers . . . "That's no excuse." . . . "Hey beebe!" . . . "Has anybody seen my pictures?" . . . oh yeah . . . Harry . . . Kim, our fearless leader . . . working together . . . only 150 pages to go . . . only 100 pages to go . . . only 49 pages to go . . . WE'RE DONE! . . . "I don't believe it!" . . . tears . . . Thanks to all . . . Every Picture Tells a Story . . . THE END . . . and with the end comes another beginning.

It takes real teamwork to put out the yearbook.
